Celebrating 55 Years of Changing Lives

Daily Prayer

August 23

Reading:

"There must be always remaining in every (person's) life some place for the singing of angels, some place that which in itself is breathlessly beautiful…and throws all the rest of life into a new and creative relatedness….Despite all the crassness of life, despite all the hardness of life, despite all the harsh discords of life, life is saved by the singing of angels."

Howard Thurman, 1899-1981

Prayer:

Lead me this day in paths that are right for me. May the paths be filled with grace to guide me. They don't always have to be smooth, O God, because sometimes something I trip over is an injustice that I need to recognize and account for or a hurt I have caused another, for which I need to seek forgiveness. Just lead me through the day, that's all I ask and all I need.

Amen
