## Resident Testimonials

*" I would like to tell you a little bit about Yellowwood Terrace. I hve lived here for about 27 years. The people living here are nice and friendly and some of the people trade food with us. there is also food brought in for lunch if anyone wants to eat. They have bingo, karaoke and music every week. The office has some birds in a glass cage and I enjoy watching them, it helps me relax. The ladies in the office are nice and talk to you when they see you in the halls. the maintence guys are kept pretty busy and the cleaning ladies do good work and are very nice, too. I will stay here as long as I live." Lois T.*

*"With the loss of my husband of 60 years, I had no close family to help me. My youngest daughter wanted me to move closer to her and she found Yellowwood Terrace - what a gift! From the day I walked in the door, I felt the love of God. I saw a piano in the dining room - I love music! I asked the manager if I could play it some time and she told me that I could do it whenever I wanted so when I go down to get the mail I play. What a joy for this 92 year old grandma. By the way, I'm Grandma to everyone here and I get lots of hugs (I call them my vitamins!). My apartment is my home and I love it. I can look out the windows and see God's beauty - being an old farm girl I love nature.*

*Thank you for my home." Grandma Maxine*
