

Daily Prayer

July 19

I begin each day thanking God for the experience of living another day and pray that in some way I might make a difference in someone's life. It may be only by wearing a mask in order to protect not only myself but others that I will be in contact with on that day. I thank God that I can stay in my safe place knowing that it protects me from the things in the outside world that can be harmful to me and perhaps my loved ones.

Reading:

James 1:5

"If any of you lacks wisdom, you should ask God, who gives generously to all without finding fault, and it will be given to you."

Prayer:

Forgive us God, when we fall short of the glory and may we learn the ways to serve you and the others who may share our pathways. In his name.

Amen
