*"I have lived at The Towers at Crooked Creek for 20 years. It's a beautiful place. The staff is helpful, friendly and makes this home for us. We're 10 minutes away from the hospital, shopping, pharmacy, and fire department. We're also on the city bus line. I plan to stay here as long as I'm able to care for myself. I love it here!"* **Doris S.**

*"I live at the Towers at Crooked Creek and have been here for nearly three years. I am 73 years old and have lived at a lot of apartment complexes. When I moved to Crooked Creek I thought it would be like all the rest . . . the people who ran the building didn't care about their residents . . . when something needed fixing it never got fixed . . . things like that.*

*Crooked Creek took me by surprise. My sink in the kitchen would not turn off right. I went down to the office and reported it, saying to myself 'I bet it won't get fixed'. Next day maintenance was there to fix it. When they left I asked God to please forgive me for doubting.*

*I say all this to let you know that the manager and staff care about the people who live here. They do their jobs to make this a safe place to live.*

*I was also shocked about the rent - everything is furnished in my monthly rent.*

*We are surrounded by medical offices, lots of places to eat, shopping areas, grocery stores. . . what more can I ask for?*

*I'd like to add that all of this starts with the manager. She is a person who will take time to listen to you. Her staff works hard to maintain a safe environment for all of us and that is not always an easy job.*

*I am very grateful for The Tower of Crooked Creek. It has changed my life and made me a better person. The staff and other residents have taught me how to love, respect, share and help other people.*

*This community is a gift from heaven. I love it here. I will be here until God calls me home. I've made a lot of good friends here. We are like family."* **Franklin R**
