

Dear Family Members,

We are sending you this letter to notify you in a change of administration at Farmington Village. Jacob Vass will now be the Administrator at Farmington Village, taking over for Jennifer Baker who is retiring after 31 years in Long-term Care. This transition was started on January 30<sup>th</sup> and has went as planned with duties and responsibilities being handed off and changed over. We ask for your patience during this transition time as Jake comes up to speed with the happenings and operations of the facility. In the bottom of this letter, we will provide his new contact information should you need to reach him with questions or concerns.

I would like to take this opportunity to say THANK YOU the family members of Farmington Village (formerly Farmington Country Manor) for allowing me Jennifer Baker to be the Administrator of this wonderful facility nearly 20 years. I look back on with great pride at the changes and improvements we have made over the years helping to turn this facility into the premier Long-term care facility that it is today, offering quality care to our seniors in a friendly and warm rural small-town setting. I have been fortunate to work with many great individuals and staff members and hope you will continue to give them the same trust and support you have always shown me in my time here at Farmington.

As many of you may remember Jake while new to this position, is not new to our facility. He served as our Activities Director from April of 2016 until May of 2022, where upon his graduation from college went to work as an Administrator at one of Farmington Village's Sister Facilities. He lives locally and understands the values and customs you as family members have come to expect here at Farmington Village. If you have any questions or concerns, please do not hesitate to reach out to him. He will maintain the same office working hours of Monday – Friday 8am-4:30pm and his contact info is as follows:

Email – [administrator@farmingtonvillagenursing.com](mailto:administrator@farmingtonvillagenursing.com)

Office Phone – 309-431-6215

Cell Phone – 319-572-4209

Again, thank you for the truly wonderful experience, and I look forward to seeing the continued success of Farmington Village!

Kind Regards,

Jennifer Baker, LNHA
