

# Welcome

## *Our Mission*

The Pointe at Eastgate is dedicated to providing the highest quality of care in a loving and safe environment for all of our residents. We are committed to being a source of support and a resource for the families of our residents. We will empower our staff by providing them with a motivating and supportive work environment.

## *The Areas Premier Choice for Affordable Assistive Living*

Since 2000, The Pointe at Eastgate has been helping seniors 65 and older transition from living on their own to living an independent lifestyle in our supportive environment, while enjoying the companionship of friends and neighbors.

With all the amenities of a premier neighborhood, The Pointe provides our residents with all the day to day conveniences. We do our best to help you live life to the fullest.

A financial assistance program is available to those who qualify, making The Pointe affordable to all seniors.
